Section 3: Please provide a justification for change. Please use this section to explain your reasons for changing the authorship of your manuscript, e.g. what necessitated the change in authorship? Please refer to the (journal) policy pages for more information about authorship. Please explain why omitted authors were not originally included and/or why authors were removed on the submitted manuscript.

The changes in authorship have been made to ensure that the author list accurately reflects the individuals who made substantial intellectual or practical contributions to the research, in accordance with the journal's authorship guidelines. Following an internal reassessment of each contributor's role, two contributors initially listed as authors have been removed due to a determination that their contributions. Conversely, two contributors who were originally omitted have now been added as authors. These authors played a significant role in the collection, management, and long-term organization of field data, which constituted a foundation for the manuscript's development and findings.

Their sustained involvement meets the criteria for authorship, particularly with respect to data acquisition and responsibility in the research process. These adjustments aim to preserve academic transparency, fairness, and accountability, and were made following a consensus among the corresponding and contributing authors. No other

Important information. Please read.

- Please return this form, fully completed, to Springer Nature. We will consider the information you have provided to decide whether to approve the proposed change in authorship. We may choose to contact your institution for more information or undertake a further investigation, if appropriate, before making a final decision.
- By signing this declaration, all authors guarantee that the order of the authors are in accordance with their scientific contribution, if applicable as different conventions apply per discipline, and that only authors have been added who made a meaningful contribution to the work.
- Please note, we cannot investigate or mediate any authorship disputes. If you are unable to obtain agreement from all authors (including those who you wish to be removed) you must refer the matter to your institution(s) for investigation. Please inform us if you need to do this.
- If you are not able to return a fully completed form within **30 days** of the date that it was sent to the author requesting the change, we may have to withdraw your manuscript. We cannot publish manuscripts where authorship has not been agreed by all authors (including those who have been removed).
- Incomplete forms will be rejected.
